1	excellent view & food with marina . individual should own anyone except city or government!!!!!!!!!!!!!!	Oct 10, 2011 9:07 AM
2	Spending money on this research is silly. The hotel is not needed and would not be filled to sufficient capacity throughout the year to turn a profit.	Oct 7, 2011 1:43 PM
3	in general, I don't feel a hotel at Mozingo is a priority for the city...we would prefer the city to focus on streets, and improvements to older housing	Sep 28, 2011 3:16 PM
4	Great idea - close to town - nature outdoors - wonderful concept	Sep 28, 2011 8:37 AM
5	Our business doesn't have many opportunities for hotel accommodations in Maryville. However, I think there are many opportunities for recreation at Mozingo, which would lend itself to offering hotel accommodations there.	Sep 28, 2011 7:53 AM
6	we have tried using the facilities at Mozingo lake -- very poor management and upkeep of property	Sep 28, 2011 7:51 AM
7	I think the success of such a facility will rest on the ability to market it for a very wide range of use. For instance: It needs to appeal to bass fishermen and golfers, as well as corporate executives and family vacationers.	Sep 28, 2011 7:40 AM
