Wednesday, May 28, 2014 at 7:00 pm
(Rescheduled due to City Offices Closed on Monday, May 26th for Memorial Day)
Maryville City Hall

City of Maryville Trivia:

April Question:

"What year was the Empire Theater built, and how many seats did it hold?"

The Answer:

The Empire Theater was built in 1903. The theater seated approximately 640 people, 392 on the ground level, 238 in the balcony, and 10 box seats.

May Question:

"In 1936, what was the nightly rate to stay in the Hotel Bainum?"

Check out the June Edition of the Maryville Newsletter for the answer!

Pride of Maryville - Beautification Awards Program

If you know of a residential or commercial property in town that has gone above and beyond in the beautification of their property, please fill out the attached nomination form and return to City Hall along with three (3) pictures of the property. If there were renovations done, please submit a before and after photo. Winners will be announced monthly from April to October and a sign recognizing the award will be displayed on the property for the winning month. If you have any questions, please contact Janah Brown at City Hall (660)562-8001.

Nominator: _____ Nominator's Phone Number: _____

Nominee: _____ Nominee's Address: _____

Is the property: (Please circle one)

Commercial Residential

Are you nominating the property for: (Please circle one)

Beautification Rehabilitation

Please email three (3) different pictures of the property to jbrown@maryville.org.
 If you are nominating it for rehabilitation, please include a before and after picture.

Ron Darnell—Winner April 2011

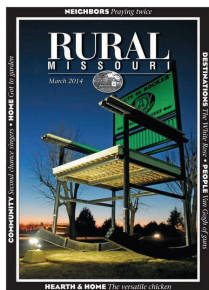

South Main Traffic Corridor Study

The City of Maryville and SK Design Group, Inc. have kicked off the South Main Traffic Corridor Study and began the public involvement and data collection process. A **Community Opinion Survey** has now been placed on the project's website at www.maryville.org/southmain. The survey is designed to encourage all Maryville residents and frequent users of the corridor to provide input and identify common concerns or critical issues. SK Design Group, Inc. has begun data collection which includes updating traffic counts, analyzing accident data, spot speed, sight distance, and information contained in the Maryville Comprehensive Plan. It is anticipated that the nine (9) month study will assist in guiding long-term infrastructure investments and future development along the corridor.

**Rural Missouri Editor's Choice
Mozingo Lake Golf Course**

Mozingo Lake Golf Course was recently chosen as the Editor's Choice by Rural Missouri in the Best of Rural Missouri 2014 edition. The 13th Annual contest revealed reader's favorites from the Best Restaurant and Best Winery, to Best Golf Course. The edition can be found at www.ruralmissouri.coop/digitalrm/story1.php. Rural Missouri is a statewide publication of the Association of Missouri Cooperatives.

Sanitary Sewer Smoke Testing

TREKK Design Group, LLC demobilized on the project for the winter months according to the contract and the inefficiencies with smoke testing with frozen ground. The contractor returned Monday, April 21st and placed door hangers on the northwest and west side of town. According to TREKK, another 60-75 days are required to complete the project, weather permitting. Discussions have begun to potentially add another crew (at no cost) to expedite the remainder of the project.

**Mozingo Lake Recreation Park
Trail Extension Project**

The City of Maryville was awarded \$100,000 in Recreational Trails Program (RTP) funds from the Missouri Department of Natural Resources (MDNR) in late 2013 to construct a trail extension at Mozingo Lake Recreation Park. The project extends an 9-foot wide concrete trail from the RV Park stretching southeast to end near the primitive camping area. The 1,752 linear foot extension provides a northern hard surface loop that park users have requested. The city's grant match comes from the use of volunteer equipment and labor as well as in-kind labor from city staff. The Public Works Street Maintenance Division and Mozingo Lake Recreation Park Maintenance Division have been working cooperatively on this project for the last several weeks. The placement of drainage tubes and grading for the trail is now complete and staff has released a Request for Proposals (RFP) for the concrete needed to complete the project. Approximately 200 cubic yards of concrete is necessary and bidders will be responsible for delivery to the project site. Proposals will be accepted until Tuesday, April 22 at 11:00 a.m.

**MISSOURI
DEPARTMENT OF
NATURAL RESOURCES**

DARE Fundraiser

DARE (Drug Abuse Resistance Education) Maryville held their annual dinner/auction fundraiser at St. Gregory's on Saturday, April 5th. There were a total of 91 generous sponsors who contributed items toward the effort that was attended by about 275 people. Approximately \$9,500 was raised to help sustain the quality of the DARE program that Maryville students have enjoyed for many years. DARE Maryville will also hold its 2014 graduation ceremony on Monday, April 14th at 7:00 p.m. at the Houston Performing Arts Center on the Northwest Missouri State University Campus.

Spring Open Burning: May 1st—31st

Yard waste is allowed to be burned during this period. For more information, visit our website at www.maryville.org or call City Hall at 660-562-8001. See City Code Chapter 225.065

**Phase C, 7th & 9th Street Trail Project
STP-9900(110)**

The Missouri Department of Transportation (MoDOT) has now issued a Concurrence in Award with the City's recommendation to award a contract with Hoggat Excavating, Inc. on the project. On March 24th the City Council approved a low bid in the amount of \$300,000 for construction. The contractor will proceed to execute all contracts and provide appropriate bonds to allow construction to begin. The project constructs an eight (8) foot wide off-street trail from Northwest Missouri State University along 9th Street east to Main Street and from Main Street to Davis Street along 7th Street. A pre-construction meeting was held on Thursday, May 8th at 2:00 p.m.

**4th Street Improvement Project
Phase I, STP-4303(101)**

The Missouri Department of Transportation (MoDOT) has now obligated the Transportation Enhancement (TE) and Small-Urban STP funds to be utilized on the project. The City of Maryville will accept sealed bids for construction until 2:00 p.m., Tuesday, May 20th. A Pre-Bid Conference was held at 10:30 a.m. on Thursday, May 8th. The 4th Street Improvement Project, Phase I includes a ten (10) foot wide concrete shared pedestrian/bicycle path on the north side, decorative street lights, water line replacements, landscaping, and a safety modification of the Dunn intersection. Bid alternates on the project will include a complete asphalt mill & overlay, work along the south side in the commercial areas near downtown, and way-finding and corridor branding elements.

Mozingo Lake Recreation Park is in need of part-time help for the summer season. Pick up an application at City Hall or online at www.maryville.org under "employment".

Upcoming Meetings & Events:

- 5/1 Parks & Recreation Board Meeting
- 5/12 City Council Meeting
- 5/16 NCED Board Meeting
- 5/19 Mozingo Advisory Board Meeting
- 5/21 Planning & Zoning Commission Meeting
- 5/26 Memorial Day (City Offices Closed)
- 5/27 Municipal Court
- 5/28 City Council Meeting
