AUGUST CITY COUNCIL MEETINGS:
Monday, August 11, 2014 at 7:00 pm
Monday, August 25, 2014 at 7:00 pm

Maryville City Hall

City of Maryville Trivia:

July Question:

The Beehive Shoe Store was a fixture on the Maryville square for many years. In 1936, how much could a woman's pair of shoes be purchased for?

The Answer:

Men's and Women's shoes could be purchased for as little as \$1.45 a pair.

August Question:

What year was the Wabash Railroad Line constructed in Maryville?

Check out the September Edition of the Maryville Newsletter for the answer!

(Trivia is taken from the book "Images of America" written by Michael Steiner and Brent Trout)

Pride of Maryville - Beautification Awards Program

If you know of a residential or commercial property in town that has gone above and beyond in the beautification of their property, please fill out the attached nomination form and return to City Hall along with three (3) pictures of the property. If there were renovations done, please submit a before and after photo. Winners will be announced monthly from April to October and a sign recognizing the award will be displayed on the property for the winning month. If you have any questions, please contact Janah Brown at City Hall (660)562-8001.

Nominator: _____ Nominator's Phone Number: _____

Nominee: _____ Nominee's Address: _____

Is the property: (Please circle one)

Commercial Residential

Are you nominating the property for: (Please circle one)

Beautification Rehabilitation

Please email three (3) different pictures of the property to jbrown@maryville.org.
 If you are nominating it for rehabilitation, please include a before and after picture.

Justin Dredge—Winner June 2014

**4th Street Improvement Project
Phase I, STP-4303 (101)**

Orr Wyatt Streetscapes began construction of the 4th Street Improvement Project, Phase I on Tuesday, July 15th with the milling of the 4th & Dunn intersection. The contractor returned to the site on Tuesday, July 29th to begin the remaining demolition of the intersection and the north side of 4th Street. It is estimated storm inlets should be delivered to the site August 1st and water-line materials on August 6th. Construction of the waterline will begin on August 7th and likely take six (6) weeks to complete. Work will progress in various areas of the corridor during the next few months to expedite the majority of construction before the winter months. The City of Maryville is working closely with Northwest Missouri State University for proper notifications and scheduling of the project.

The City of Maryville is currently accepting applications for the following two (2) positions: Public Safety Officer & Information Booth Attendant. If you are interested in applying, please pick up an application in City Hall or on our website at www.maryville.org under "Employment".

City Board Positions Available

The City of Maryville is accepting applications for the following boards: Board of Code of Appeals, Board of Zoning Adjustments, Mozingo Advisory Board, and the Public Art Committee. These boards have expired term position(s).

Applications are available at <http://www.maryville.org/docview.aspx?docid=28716> or at City Hall.

If you are interested in serving on a City Board, please contact City Hall at (660) 562-8001 for more information.

**7th & 9th Street Trail
STP-9900 (110)**

Construction of the 7th & 9th Street Trail, STP-9900 (110) is now underway by contractor Hoggatt Excavating. The project consists of the construction of an eight (8) foot wide off street trail along 9th Street from Northwest Missouri State University east to Main Street, and along 7th Street east from Main Street to Davis. Hoggatt began construction on July 7th and the project is estimated to be over 35% complete. Per the contract, the project is to be completed by September 1st, 2014.

I&I Sanitary Sewer Smoke Testing

TREKK was able to resume smoke testing in Maryville during the last weeks of July as the weather became dry and provided optimal working conditions on the south end of town. It is estimated that testing for the entire City will be completed within the next 30 working days. The project will produce a detailed inspection report to allow the city of Maryville to proceed with Improvements in the highest inflow and infiltration areas.

**Northwest Missouri Regional Airport
Taxiway/Runway Rehabilitation Project**

On Tuesday, July 15th staff held a conference call with airport consultant JViation to discuss options for moving forward on needed runway and taxiway repairs at the airport. After discussing the taxiway bid in regard to the amount over the estimate, the City and JViation were in favor of rejecting the bid and not awarding the taxiway project. In lieu of awarding the taxiway project as its own separate project, the City would like for MoDOT to consider adding the taxiway to the Runway project for construction in 2015. The City has Non-Primary Entitlement (NPE) funds remaining for 2011. NPE funds are only good for a total of three (3) years and by getting the consultant agreement for the runway design executed, this would put the remainder of the 2011 NPE under grant. The City has submitted their request to MoDOT to reject the taxiway bid and to move forward using the 2011 NPE funds towards the design of the runway reconstruction project.

**Pride of Maryville
Beautification Award Winner:**

The June Beautification Award was presented to Justin Dredge for his property located at 239 White Ridge Drive. Mr. Dredge received a plaque and had the Beautification Award sign on his property for the month of July.

If you would like to nominate a property, please contact Janah Brown at City Hall at (660)562-8001.

Time for yard clean-up. Be sure to keep your grass mowed and yard waste picked up per City Code Section 215. Please take care of your lawn and keep our City beautiful!

**Northwest Missouri Regional Airport
Employee**

Northwest Missouri Regional Airport Manager Kevin Rankin was honored by the Missouri State Highway Patrol and Nodaway County Sheriff's office on July 1st for his assistance in catching three (3) bank robbery suspects. According to reports from both agencies, Kevin went "above and beyond what could be expected" in assisting the agencies during a pursuit following the bank robbery on March 21st in Burlington Junction. During the manhunt, Kevin utilized his aircraft to help track the robbery suspects and played a vital role in stopping the suspects near the Iowa border.

Upcoming Meetings & Events:

- 8/7 Parks & Recreation Board Meeting
- 8/11 City Council Meeting
- 8/15 Nodaway County Economic Development Meeting
- 8/18 Mozingo Advisory Board Meeting
- 8/20 Planning & Zoning Commission Mtg
- 8/25 City Council Meeting
