MOZINGO LAKE
RECREATION PARK

Edition: November 2014

City Council Accepts Mozingo Master Plan

On October 27, 2014, the Maryville City Council voted to approve the Mozingo Master Plan.

The master plan is to act as a guide to help staff with projects, priorities, and budgets for the next 20 years.

RDG Planning and Design was hired by the City of Maryville to complete the master plan. RDG is out of Omaha and completed a comprehensive plan for the entire City of Maryville in 2012.

Staff has already used the document in their preparation for the 2015 budget and have started working on the highest prioritized areas. Work has already begun on the beach and tent camping sites.

The previous master plan for Mozingo was completed in 1995.

Non-Peak Season Begins November 1st

November 1st marks the beginning of Non-Peak Season for Mozingo Lake Recreation Park.

During this time, RV prices will drop to \$18 per night for sites 1 through 76 in our non-reservable section; and \$25 per night in our reservable section.

Tent camping prices will remain the same all year; cabin prices will drop for the non-peak season starting on December 1st.

Water and electricity will run year round for all sites. The shower houses/bathroom in the reservable RV park will be closed, however the ones in our non-reserve section will remain open.

The Information Booth at the entrance of the park will be closed until April 1st, when Peak Season resumes.

If campers need to purchase boat passes, pay camping fees or need assistance, they may visit the Park Maintenance building, located east of the City Boat Ramp.

Trail Run and Mozingo Lake Haunted Campground

Mozingo Lake Recreation Park hosted two large events on October 25th.

The morning started with the First Annual Hy-Vee 7-mile/5k Trail Run. The run started at the Mozingo Youth Camp and carved a path through MOERA. There were 130 runners who participated in the inaugural event.

The second event of the day was in celebration of Halloween. The event included a pumpkin cannon that shot pumpkins up to a 1/4 mile, pumpkin carving, pumpkin bowling, and a pet costume contest.

The trick or treating portion had over 1,200 kids who received candy from the campers and a glow necklace from D.A.R.E.

The overall champion and course record holder was Jared Keller. He finished the 7-mile course in 42:52, three minutes faster than the next competitor. The overall women's champion was Becky Henning who finished the race in 53:19.

Winners of the gift cards for having the best decorated camp sites were: 1st: Wesli and Angie Aborn 2nd: George Render, Logan and Sydney Harlan, Tony and Joy Render, and Terry McKim 3rd: Steve and Norma Conant family, Charlie McCartney and Sue Strain.

There were six different states represented at the trail run including: Missouri, Kansas, Nebraska, Iowa, Oklahoma, and New Jersey.

Thank you to all of the volunteers and campers, especially Tom and Twyla Martin!

Head Pro: Kyle Easter's Golf Tip

For more consistent power with every club: Focus on your feet! Be sure your right foot is square parallel to your target line.

This will produce a better power building turn away from the ball.
