CITY COUNCIL MEETINGS:

Monday, January 12, 2014 at 7:00 pm

Monday, January 26, 2014 at 7:00 pm

Maryville City Hall

City Attorney & City Prosecuting Attorney Appointment

City Attorney Doug Thomson has been successfully elected as Nodaway County Associate Circuit Judge and will take office in January. Per Section 105.110 of the Municipal Code of Maryville, the City Attorney is appointed by the City Manager subject to confirmation by the City Council. The City of Maryville received letters of interest until December 16th and confirmed at the December 22nd City Council Meeting that Taryn Henry will replace Doug as the City Attorney. Pat McLaughlin was also selected to continue in his position as City Prosecuting Attorney for the City of Maryville.

Council Corner:

Notes from the December 8th & 22nd City Council Meetings:

Council Voted on the Following:

- Ord 7699, Execute a Contract with White Cloud Engineering and Construction Company, Inc. for Upsizing a Sanitary Sewer Lift Station
- Ord 7700, Annexing Certain Real Estate located along Business Highway 71 Owned by Kawasaki Motors Manufacturing Corp., U.S.A.
- Ord 7701, Accept Deed from Missouri Highways and Transportation Commission and Dedicate Public Right-of-Way
- Ord 7702, Adopt Section 115.296: Children and Family Center of Northwest Missouri Surcharge of the Municipal Code of Maryville

- Ord 7704, Contract with CK Power for Emergency Repair of a Generator at the Water Treatment Plant
- Ord 7705, Execute a Web Development Agreement with Hue Labs for the Purpose of Redesigning the Mozingo Lake Recreation Park Website
- Ord 7706, Execute a Contract with RJ Thomas MFG, Inc., for Pilot Rock Picnic Table Frames for Mozingo Lake Recreation Park

Discussion Items:

- Municipal Court Surcharge by Robert Rice

Internship Program Opportunities at Mozingo Lake Recreation Park

Mozingo Lake Recreation Park and Northwest Missouri State University plan on strengthening their partnership with a structured, competitive internship opportunity beginning in 2015. The internship program will be open to students seeking degrees in Recreation, Business, Marketing, Sports Management, and Education. Interns will be asked to research projects and then implement their findings and will be provided a real-world work experience. In addition, the summer interns will provide a much needed resource as staff for the Junior Golf Program (SNAG). NWMSU staff will assist with the internship by providing supervised office hours at the University. Beginning January 2015, the City plans to hire 3-4 paid interns. For more information, please contact MLRP at (660)562-2323 or Northwest Missouri State University.

City of Maryville Trivia:

December Question:

"The first person to purchase a lot in the town of Maryville was Amos Graham. What was the price of a lot in 1845??"

The Answer:

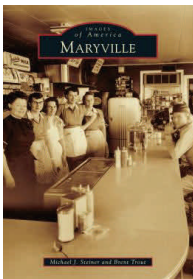

The first lot in Maryville was purchased for \$5.25 by Amos Graham for his wife Mary, whom the City is named for.

January Question:

"What was the name of the City's first soda fountain??"

Check out the February Edition of the Maryville Newsletter for the answer!

(Trivia is taken from the book "Images of America" written by Michael Steiner and Brent Trout)

Trade Show Destinations for Mozingo Lake Recreation Park

Mozingo staff will be attending four (4) regional trade shows this winter to increase the exposure and marketing of Mozingo Lake Recreation Park. The shows that staff will attend are as follows:

- Des Moines Boat & Outdoor Show (January 9-11)
- Kansas City Mid-American RV Show (January 15-18)
- Kansas City Golf Show (February 6-9)
- Omaha Sport Show (February 19-21)

4th Street Improvement Project, Phase I

Orr Wyatt Streetscapes continues to make significant progress on the 4th Street Improvement Project, Phase I despite colder temperatures. The contractor continues to work on waterline installation and minor concrete pours when weather permits. On Tuesday, December 9th, Orr Wyatt Streetscapes installed the entryway feature at the intersection of 4th Street and Buchanan. The entryway sign brands the corridor as the gateway to Northwest Missouri State University and signifies the tie to downtown Maryville. Once completed,

the branding fixtures will be bolted to the structure and column bases will be wrapped in decorative brick. If significant winter weather continues to hold off, the project should be gearing up for landscaping, branding elements, and asphalt in early spring.

HERO Grant Application

On October 1st, the City of Maryville submitted an application for the Home Repair Opportunity (HeRO) Program Grant. The grant is used for the repair and rehabilitation of owner-occupied homes within the city limits of Maryville. On Tuesday, December 16th, the City was notified that it was awarded \$24,750.00 from the Missouri Housing Development Corporation (MHDC) for this purpose. The City request \$100,000 in funding; however, funds were limited and staff anticipated not receiving an award from this request. The funding will allow for the repair of one or two structures in Maryville that meet income and property guidelines. There is no local match outside general staff expenses for performing all inspections and grant administration on the project.

City Employee Retirement

Part-time Assistant Equipment Technician Bob Horn retired from Mozingo Lake Recreation Park's Maintenance Division on December 10th. Bob has focused on Golf Maintenance equipment since May 17, 1999 and was primarily responsible for ensuring all fifty (50) golf carts in the fleet were operational. In addition, he also performed oil changes and routine maintenance services for forty (40) mowers and trucksters, as well as the reel sharpening for forty-one (41) reel to bed-knife cutting units every week. At 86 years young,

Bob's work ethic was beyond reproach. Bob arrived to work early every day and hit the ground running. If Bob's job duties were satisfied, he would tidy up the shop or scout the equipment storage buildings for low tires or dead batteries. Bob's hard work and dedication was an inspiration to all who worked with him and he will be missed. The City of Maryville wishes him a relaxing and enjoyable retirement.

Upcoming Meetings & Events:

- 1/1 New Year's Day (City Hall Closed)
- 1/12 City Council Meeting
- 1/16 Nodaway County Economic Development Board Meeting
- 1/19 Martin Luther King Jr. Day (City Hall Closed)
- 1/19 Mozingo Advisory Board Meeting
- 1/26 City Council Meeting

Mozingo Lake Recreation Park Golf Tournaments

Mozingo Lake Recreation Park Golf Course has secured four (4) new tournaments for the upcoming 2015 season. All four of these tournaments provide great exposure for Mozingo Lake Recreation Park and provide a boost to the local economy as well. The tournaments are as follows:

- **Waldorf College Invitational (April 26-28):** Waldorf College out of Forest City, Iowa will be holding a men's and women's three-day invitational tournament. This tournament will feature a minimum of ten (10) teams and around 200 players for a three-day tournament. Waldorf College is located in northern Iowa and they participated in the Graceland University tournament this past year. Waldorf enjoyed the experience and location so much they have decided to host their own tournament at Mozingo and are exploring the possibility of holding a conference tournament at Mozingo as well.
- **Break 80 Challenge (June 14):** This event is for senior amateurs and is a series of competitive tournaments for a championship. Senior amateur players from Missouri and Kansas compete and qualify at various sites around Missouri and Kansas for a chance to play in the final tournament in the Ozarks. The organizer for this event found Mozingo from the online ranking and reviews of the Mozingo golf course on GolfNOW.com and the Mozingo Lake Recreation Park website. The Mozingo golf course was chosen for its difficulty and quality of golf course. This event is expected to host between 40-60 players.
- **Pro Pro PGA Tournament (June 22):** This tournament was part of a competitive bid process and Mozingo Golf Course was selected as the winner. The Pro Pro tournament is a PGA sponsored event for Professional golfers in the Midwest section. The PGA Midwest Section includes the areas of Missouri, Kansas, and portions of Iowa, Nebraska, and Illinois. Golfers in this event must be a certified PGA professional.
- **MGA Seniors Event (September 22):** The Missouri Golf Association (MGA) has selected Mozingo to host one of their popular senior series tournaments. MGA senior members from across the state of Missouri participate in the series while gaining points according to their finish at events throughout the year. MGA awards honors to ranking golfers at the end of the season. This was another competitive bid tournament and the MGA Executive Director contacted Head Mozingo Golf Pro Kyle Easter last to notify and said that the MGA Board of Directors held their winter meeting last week and were excited about bringing an event to Mozingo. An 18-hole event is scheduled for the morning at Mozingo and an afternoon competition will be held on the Tom Watson designed 9-hole golf course. Average golfer attendance at an MGA tournament is around 170 players.
