Website Re-Design

After a lengthy bidding and interview process, we are happy to report that Mozingo Lake Recreation Park has found a web developer to create a brand new website for the park. We are excited to work with Hue Labs in an effort to better display our amenities and make this a more interactive website for our campers and visitors.

The website will feature a reservation system where cabins, shelters, and reservable RV sites can be paid for online. People will now be able to reserve amenities around the park 24/7. The website will also be easily accessible through your mobile device and contain more photos of our amenities. The project will begin this month and will hopefully be launched by May. Keep an eye out on Facebook for updates regarding website availability.

Venison Chili Recipe

Still have a few pounds of venison leftover from hunting? Check out this recipe we stumbled upon on Griffin's Guide.

Ingredients:

- 1 lb ground venison
- 1 lb ground pork
- 1 tsp salt
- 1 tsp ground black pepper
- 1 tsp crushed red pepper
- 1 tsp hot sauce
- 2 tsp Italian seasoning
- 1 tsp chili powder
- 1 tsp cumin
- 1 tsp nutmeg
- 1/2 medium onion, chopped
- 3 cloves minced garlic
- 3 tomatoes, diced
- 1 can (24 oz) tomato sauce
- 1 large can (40.5 oz) dark red kidney beans
- Cheddar cheese, for topping

Directions

In a medium bowl, mix together the venison, pork, salt, pepper, red pepper, hot sauce, Italian seasoning, chili powder, cumin, and nutmeg. In a large sauce pan over medium-high heat, cook the meat and onion until browned. Drain.

Add in the garlic, tomatoes, tomato sauce, and beans. Reduce the heat to medium and cook until the chili bubbles.

Reduce the heat to low, and let simmer about 20 minutes so that all the flavors will meld together. Sprinkle with cheese and serve hot. Enjoy!

Hunting Update

The hunting seasons for Turkey (Archery), Deer (Archery) and Pheasants will end on January 15th. For more information on active hunting/trapping seasons, please visit the Missouri Department of Conservation website at <http://mdc.mo.gov>.

Golf Tip from the Pro

For more consistent contact with every club, keep the palm of your right hand (for right handed players) facing the ball as long as you can during your take away (the first 2 feet of your swing).
