Dear City of Maryville and Northwest Missouri State University Representatives,

On behalf of the Maryville Parks and Recreation Board, I am happy to announce our commitment to support the future Northwest Multipurpose Complex project. We believe that this project will be an asset to not only Northwest Missouri State University, the residents of Maryville, but also our region. This project will serve as source of pride for our community and show that by working together we can accomplish great things.

We are honored to be an active partner and resource for this project.

Sincerely,
