Greg McDanel
City Manager
City of Maryville
415 N Market
Maryville, MO 64468

Dear Greg:

I am writing in support of the Transient Guest Tax initiative in Maryville. The revenues received from this tax have proven very beneficial in promoting tourism and economic development in many communities throughout the region. My partners and I are convinced that it will benefit many existing businesses based on increased traffic into the area.

Again, we are very supportive of the Transient Guest Tax initiative in Maryville.

Best regards,

Tim Stuart
CEO
Boulders Inn & Suites
