Open Letter of Support:

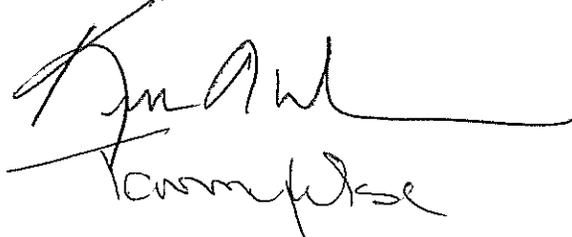

To all involved and concerned citizens of Maryville, we would like for all to know of our utmost support of the upcoming Multi-purpose Complex project located on the campus of NWMSU that's to be supported in part by a proposed Hotel/ Motel Tax.

In the past, we have strongly opposed any such tax as we do not like Government having a blank check to spend as it chooses. I do not believe that Government can promote our businesses better than we , the business owners can.

This project has a directed use of funds, which will benefit the entire community and also fulfill the purpose of the Hotel /Motel Tax law which states can be used to construct facilities which will promote and enhance our community's tourism .

Please join with me in the support of this upcoming Hotel/Motel taxation issue on the upcoming ballot.

Sincerely;

Kelly Wise and Tammy Wise
