TELE. (660) 652-8001 ? FAX (660) 562-3895

## **Board Volunteers Needed**

The City of Maryville has several boards where volunteers serve to assist the City Council and Staff in decision making. Boards such as the Library Board, Park and Recreation Board and the Housing Authority Board make the day-to- day decisions for the operations of that department.

Other Boards such as the Planning and Zoning Commission, the Airport Board and the Mozingo Advisory Committee, make recommendations to the City Council, but ultimately the decision is made by the City Council.

Currently the City has openings on the Park and Recreation Board, the University of Missouri/Nodaway County Extension Office, and the Airport Board. These positions must all be filled with residents of the City of Maryville.

Even if a Board is full, you are still welcome to submit your application to be considered at the time of expiration of a term. The Mozingo Board has 3 terms set to expire on October 1, 2012. If anyone is interested in serving on a City Board, please contact the City Clerk or go to [www.maryville.org](http://www.maryville.org) for further information.

The boards are:

Airport Board

Board of Code Appeals

Housing Authority

Library Board

Board of Zoning Adjustment

Mozingo Advisory Board

Nodaway County Extension

Planning and Zoning Commission

Park & Recreation Board

Planting Committee

Cemetery Board
