

Maryville's Annual City Wide Clean-Up

**City Wide Clean Up
will be June 3 – 6, 2013**

City crews will pick up landfill and compost items not normally picked up by your local trash contractors as outlined below.

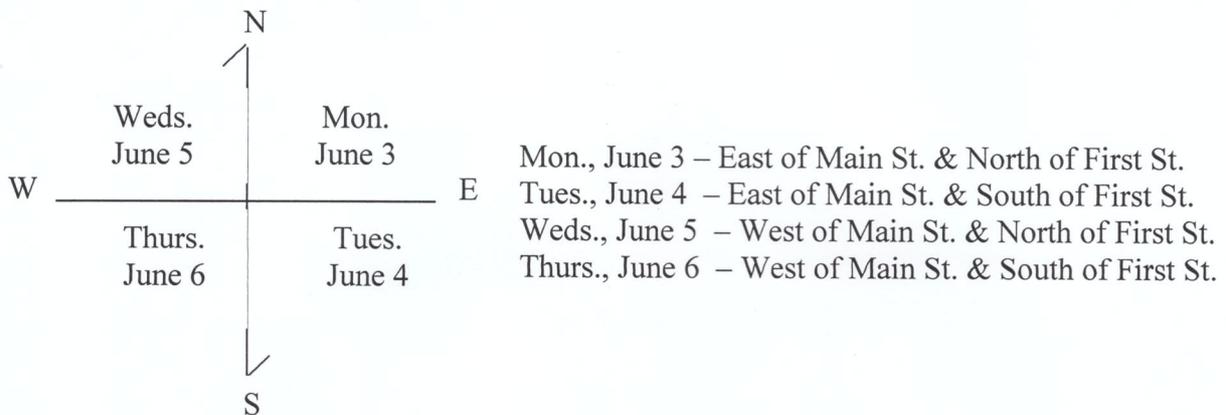

We **WILL** pick up the following:

1. Tree limbs/tree residue—Please cut limbs/branches to four (4) foot lengths and bundle and tie branches.
2. Other lawn/garden waste including leaves, grass, etc. (Please bag)
3. Furniture and other items not normally picked up by contractor.

We **WILL** not pick up the following:

1. Household trash normally picked up by contractors.
2. Concrete, masonry materials, and construction/demolition waste resulting from building or remodeling, roofing, shingles, etc.
3. Tires, lead-acid batteries, paint cans, and iron products.
4. White goods, microwaves, appliances, etc.

City trucks will collect in each area beginning at 7:00 a.m.

Your cooperation in observing this plan will help us serve you better. **Please insure all appropriate items are at the curb by 7:00 a.m. of your area day. Thank you.**
