City of Maryville Trivia:

August Question:

“Who gave a speech in Maryville, that thousands came to see on October 5, 1908?”

ANSWER:

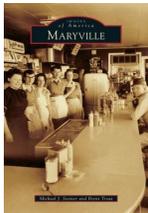

William Howard Taft. Although a rainy day, some consider it the greatest day in Maryville history. Taft planted a kiss on the cheek of Beal Roseberry’s baby, which local papers proclaimed the first baby kissed on the campaign.

September Question:

“When was the first Air Mail Delivery in Maryville, MO?”

Check out the October Edition of the Maryville Newsletter for the answer!

(Trivia is taken from the book “Images of America” written by Michael Steiner and Brent Trout)

Cooper Street Improvement Project

The City Council approved a contract with White Cloud Engineering and Construction Company, Inc. on July 27th for the Cooper Street Drainage Improvement Project. The emergency repair includes a slight upsize and extension of the exiting arch culverts and concrete repair of the roadway. The contractor has been completed engineering and ordered appropriate sized culverts. The project continues as declared emergency repair and will be completed when the appropriate material is available.

South Main Traffic Corridor Study

SK Design Group, LLC is nearing completion of the traffic study for the South Main corridor. The study includes traffic data, access management suggestions, and roadway section suggestions. The traffic corridor study includes suggested improvements for adequate and safe traffic flow with identified cost estimates. The study will also include suggestions for aesthetic improvements and corridor way findings. It is anticipated that once the study is received, staff will discuss with council the prioritization of improvements and if engineering should begin in advance of capital improvement sales tax renewal efforts in 2018.

2015 Sewer Main Lining Project

On August 11th, the City of Maryville released a request for Proposals (RFP) for the 2015 Sewer Main Lining Project. The project seeks to line 12,054 linear feet of 8" sewer, 2,396 linear feet of 12" sewer and 3,965 feet of 15 " sewer, for a total of over three (3) linear miles of repairs to the sanitary sewer system. The lining project will be a significant improvement to the problem of inflow and infiltration (I & I) into the sanitary sewer system. The areas identified for this first project were noted in the smoke testing study performed in late 2014 and further inspected by the Sewer Maintenance Division of Public Works with a CCTV sewer camera. An optional pre-proposal meeting was held Tuesday, August 18th and bids will be accepted until 10:00a Friday, September 4th. It is anticipated that staff will recommend a contract for the project at the September 14th City Council meeting.

Mozingo Lake Recreation Park HOSTING 2nd Annual Hy-Vee Trail Run & Haunted Campground

Mozingo Lake Recreation Park will be hosting two (2) large Events on October 17, 2015. The first event will be the 2nd Annual Hy-Vee Seven mile Trail Run in which runners will have the option of a 7-mile or 5K trail run. Activities following the run will include live music, food & beverage vendors, as well as, other activities. After the run, park guests will want to stick around to enjoy the annual Haunted Campground! Activities will include reduced RV rates, RV decorating contest with prizes, kid's games & activities, and trick-or-treating from 5:00p to 7:00p

Upcoming Meetings & Events:

- 9/10/2015 City Council Meeting
- 9/21/2015 Mozingo Advisory Board
- 9/24/2015 City Council Meeting

Maryville Transfer Station RFP

The City of Maryville has elected to issue a Request for Proposals (RFP) for Operation, Maintenance, and Commercial use of the Maryville Transfer Station. Due to an anticipated and ongoing fund deficit, the City has been analyzing options for closure or lease of the transfer station operation since May. On August 10th, the City Council chose to proceed with a RFP release on September 1st with a due date of December 1st. The RFP will include specifications to provide a third party the opportunity to lease the solid waste transfer station as a private business. Based on submittals provided, the City of Maryville may select the best and most qualified bid as the City determines appropriate, or reject all bids and proceed with closure. The City's contract with Deffenbaugh, Inc. for solid waste hauling from the transfer station to an approved landfill ends in August 2016. It is anticipated that any decision the City Council makes go into effect at that time.

Time for yard clean-up. Be sure to keep your grass mowed and yard waste picked up per City Code Section 215. Please take care of your lawn and keep our City beautiful!

Pride of Maryville Beautification Award Winner:

The August Beautification Award was presented to Ben and Tiffany Scott for their property located at 821 East Jenkins Street. The Scott's received a plaque and had the Beautification Award sign on their property.

Pride of Maryville - Beautification Awards Program

If you know of a residential or commercial property in town that has gone above and beyond in the beautification of their property, please fill out the attached nomination form and return to City Hall along with three (3) pictures of the property. If there were renovations done, please submit a before and after photo. Winners will be announced monthly from April to October and a sign recognizing the award will be displayed on the property for the winning month. If you have any questions, please contact Stacy Wood at City Hall (660)562-8012.

Nominator: _____ Nominator's Phone Number: _____

Nominee: _____ Nominee's Address: _____

Is the property: *(Please circle one)* **Commercial** or **Residential**

Are you nominating the property for: *(Please circle one)* **Beautification** or **Rehabilitation**

Please email three (3) different pictures of the property to swood@maryville.org. If you are nominating it for rehabilitation, please include a before and after picture.
