ADOPT SECTION 705.580: LEAD BAN GENERAL POLICY, DRINKING WATER PLUMBING

The City Clerk presented a bill, Bill No. 2012'36 for an ordinance entitled:

An Ordinance Amending Chapter 705, of the Municipal Code of Maryville, by adding one Section Regarding Water and Sewer, Placing a Lead Ban in Public and Private Drinking Water Plumbing

The City of Maryville was provided an inspection report dated March 12, 2012, from the Missouri Department of Natural Resources (MDNR) for the Maryville Public water system. The purpose of the inspection was to determine the system's compliance with the Missouri Public Water Program Regulations. The inspection reviewed all eight (8) critical components of

a public water system. The City is working with PeopleService, Inc., and MDNR to correct any deficiencies found and implement recommendations from the inspection. It was identified that the City does not have a program prohibiting the use of lead in water system plumbing as required by Missouri Safe Drinking Water Regulation 10 CSR 60-10.040. The rule also requires all community water systems to develop programs to prohibit the use of lead within their water systems such as a Lead Ban Program, which would prohibit the use of lead materials throughout the public water system and the customer's private plumbing to protect residents from lead contamination. Therefore an ordinance was presented to the City Council to adopt such a program.

Upon motion duly made and seconded, said bill was read by title on the first reading, a copy of said bill having been made available for public inspection by filing the same in the office of the City Clerk more than 24 hours prior to the meeting, and was duly passed by unanimous vote.

Upon motion duly made and seconded, said bill was read by title on the second reading, a copy of said bill having been made available for public inspection by filing the same in the office of the City Clerk more than 24 hours prior to the meeting, and was duly passed by unanimous vote.

Motion was made by Councilman Moss, seconded by Councilman Fall, to approve Council Bill No. 2012'36. Upon roll being called the vote was as follows: Councilman Funston, yea; Councilman Moss, yea; Councilman Fall, yea; Mayor Jonagan, yea. Motion carried.

Said bill was then numbered Ordinance No. 7406 and was duly passed, adopted and was thereupon signed by the Mayor and attested by the City Clerk. The adopted ordinance was identified as Section 705.580: Lead Ban, of Title VII. Public Utilities, Chapter 705: Water and Sewer, Article III: Connections.

REPORTS

I. City Manager

- The Request for Proposals (RFP) on the 2012 Asphalt Milling & Overlay Project has been released and an optional pre-bid meeting will be held on Wednesday, May 16, 2012 at 10:00 a.m. Sealed bids on the project are due by 10:00 a.m. on Wednesday, May 30, 2012.
- The Request for Qualifications (RFQ) for professional engineering/design services on the Munn Avenue Street Replacement Project has been released. The project will consist of a complete reconstruction of Munn Avenue from West South Avenue to West South Hills Drive/State Highway "V" as a part of the City's Capital Improvement Program. Proposals will be accepted until Tuesday, May 29, 2012 at 10:00 a.m.
- A draft of the STIP for fiscal years 2013-2017 has been release for public comments by the Missouri Department of Transportation. The STIP, prepared annually, outlines the specific construction projects MoDOT will undertake in the next five years. The two projects scheduled for Nodaway County are as follows: 1) US 71 Hwy - Resurface roadway from Bus. 71 north intersection to south of Rte. V in Maryville. (2014-2015), and 2) RT C – Replace bridge deck over Mill Creek, 0.7 miles east of Rte. YY, near Elmo (2013-2014)
- Mr. Hooker has completed the removal of four (4) residential homes according to the agreement approved by the City Council on March 29th. According to the agreement, the property owner will remove a total of seven structures by July 10, 2012.
- The City received \$88,000 in Home Repair Opportunity (HeRO) program funds from the Missouri Housing Development Commission (MHDC) for 2012. The HeRO Program provides funding to meet the needs of home repairs for low and moderate income homeowners in the city limits of Maryville. An informational meeting was held on May 3rd and the City has received eight (8) applications for funding. Once additional information is received from the applicants and they are qualified, the inspection process will begin. Pending results from inspections, it appears the funds available will allow four (4) homes to be repaired this year.
- At the City Council Meeting on January 23, 2012, presentations were provided to the Governing Body regarding options for the City's insurance coverage. Following presentations, the council requested that staff further research the issue and continue the conversation in May 2012. The Council decided to continue with the current provider.
- The City of Maryville has been recognized as earning the Tree City USA designation once again by the National Arbor Day Foundation. Qualifying cities must have an active, well-funded tree maintenance program and designated staffers to carry out the program. This is the fourteenth (14) time Maryville has earned the designation.
- The City is soliciting statements of qualifications from airport consultants for upcoming projects within a five year period at Northwest Missouri Regional Airport. Services will only be provided for projects that are approved and funded under the FAA Airport Improvement Program through the Missouri Department of Transportation. The selected consultant will likely proceed with engineering services for an airport pavement rehabilitation and maintenance project.
- The City of Maryville has provided N.R. Hamm Quarry, Inc. with a required 120 day notice to cancel the current contract for hauling and disposal of solid waste from the Maryville Transfer Station. The service will be rebid in June with a new contract beginning in early August. N.R. Hamm Quarry, Inc. has been encouraged to resubmit a proposal, along with several other companies.
- On April 23rd, 2012, the City Council approved an ordinance to modify Section 220.150: User Fees of the Municipal Code adjusting tipping fees at the solid waste transfer station. The ordinance shall be effective June 4, 2012, and user fees are amended as follows:
